Core Implementation Kit Materials

**Are you ready to make a measurable impact in the mission to
prevent and respond to youth interpersonal violence?**

BLOOM365 USA is looking for select school and organizational partners to join our 2026 Social Impact cohort. Through our exclusive licensing partnership, your team will gain the tools, training, and brand power needed to foster a culture of empathy, respect, and consent among young people.

For a flat fee of \$7,500 USD per Certified Instructor, your school or organization receives a comprehensive, "all-in-one" Implementation Kit designed to educate and support 500 students. This turnkey solution includes:

- **Exclusive Licensing:** Secure the rights to utilize our measured, proprietary 7-Dose Healthy Relationship and Violence Prevention Curriculum and trademarks within your territory for one year. The partnership includes ongoing access to BLOOM365's confidential virtual advocacy and support for young people, ages 11-24.
- **Certified Instructor Training:** Empower your staff with 8 hours of expert-led 7-Dose Curriculum facilitator training, including on-demand webinars and personalized virtual technical assistance.
- **Essential Implementation Kit:** Receive an implementation kit of the curriculum slides, print materials and supplies necessary to deliver high-impact sessions in English. *Includes: Power Point slide decks, printed workbooks (500), handheld polling remotes (35), activity signs, branded t-shirts for the Certified Instructor, and supplemental collateral. Additional workbooks, t-shirts and other supplies can be purchased and the curriculum can be translated into other languages. Inquire about cost.*
- **Data-Driven Results:** Take your impact further with our optional third-party evaluation and data analytics to track and report your success. *Cost varies.*

Join the Movement

This isn't just a purchase; it's a partnership. BLOOM365 USA provides the oversight, brand standards, and ongoing support to ensure your program thrives, while you lead the charge on the ground. Together, we can reach our social impact goals and cultivate a culture free of abuse and violence for this generation of young people and the next.
